PIGEONS and QUAILS

Two of the best hunting places for quails and pigeons are undoubtedly, Vojvodine which is located in the north of Serbia and central Serbia.

The hunting season is from August the 15th till end of September. At this time the fields have already been harvested and the first green appears between the stubbles. These huge fields offer optimal living requirement for quails and pigeons.

Quails are roamed with good hunting dogs in the morning and pigeons are hunted in the afternoon.

Included in the arrangement:

Total cost for 4 travel / 3 hunting days including accommodation and full board, hunting card, organization, off-road vehicle, guided tour with a hunting dog and pigeons and quails without limit.

Total per hunter..... 790 €
